HALLOWEEN-A SENSATIONAL SUCCESS

Once again, the Mattapoisett Police gave and party and every spook in town showed up. You name it, it was there. There were juke boxes, washer and dryer, ash can, witches to spare, hillbillies, dancing girls, jack-in-the boxes and horrors too numerous to mention. There were sky-scrapers, unicorns, pirates, bees, devils, rabbits and spacemen. Junk food in various forms hobnobbed with kings and farmers. It was a gathering that thrilled and chilled and every single guest was a winner because the police outdid themselves with hospitality and all who came

were treated to the multitude of goodies that were the feature of the party. It was a night of fun and was enjoyed thoroughly. On behalf of all the kids in town, young and old, we salute the Mattapoisett Police with a resounding "Thank You".

The least envied job of the evening was that of judges Marilyn Caron, Richard Young and Carol Flaherty.

Donation of Fire Station Boiler

MATTAPOISETT SELECTMEN'S MEETING NOVEMBER 1, 1988-by VIRGINIA MORGAN

Proving again that "Mattapoisett is Special", Selectmen were informed last Tuesday that a Mattapoisett resident, owner of a plumber's supply business, has donated the boiler and piping to replace the completely unworkable one that has kept the Fire Station cold these past weeks.

Fire Chief Donald C. Wood informed Selectmen that J. Thomas Jones of 18 Upland Way, owner of Plumber's Supply of New

Bedford, has offered the boiler and parts to replace the 35-year old worn-out system. A letter of appreciation will be sent thanking Mr. Jones for the generous donation.

The only stipulation is that the town pay for removal of the old system and the removal of asbestos that is required by federal EPA standards.

An attempt to seek insurance payments for the breakdown of the boiler was unsuccessful, said heating consultant Alan Fales, because the coverage dealt with damage by accident and not because of failure or age. Mr. Fales noted the cost of a new boiler would be about $24,000, but with the donation, the cost will be for only removal of the old system and

the asbestos.

Selectmen Chairman William F. Hubbard said Town Counsel has indicated there are ways to finance the cost of the removals. He added that the Fire Chief should be sure to get someone with proper authorization to remove the asbestos and to fill out the necessary EPA papers. Whoever gets the bid should do all the work. It was recommended to get three bids from local contractors with bids in no later than Monday, November 7th.

for the loader will be included in the warrant, the chairman said.

Mr. Bowman explained that at the present time he is renting a loader from a Swansea agency at $920. per week, $2,760 per month. "If this continues we will have to take money from another account," the Highway Surveyor said. A new loader, recommended by the surveyor, would cost $3,300 to rent for four months, with an option to buy at $75,000. The advantage to this Caterpillar model is that the buckets and plows are interchangeable making it a more valuable piece of equipment for the town. "Work revolves around this loader and, with winter approaching, we will need it for snow removal", said Mr. Bowman. He added that they are using all old 1960s equipment, including the sander which is in bad shape. The trucks have shining paint but are falling apart underneath, said Mr. Bowman.

VOTED UNANIMOUSLY to employ Amy Peters as part-time director in the Council on Aging office. "She was recommended highly by all the Council members", said Council Chairman Eleanor Lynch.

Mrs. Lynch said a notice was placed on the Town Hall bulletin board and an ad in the Presto Press which resulted in three applicants. One applicant

withdrew her application the next day; the second person was not as well qualified as Ms. Peters, said Mrs. Lynch. Funds for this position were voted at the September special town election as an override for $7,000. The Personnel Board has set a pay scale of $7.42 per hour.

MET WITH two candidates for the appointment to the Finance Committee, and Elizabeth Kunz, Finance Committee member, and Maureen Best, Chairman of the Mattapoisett School Committee, to select a person to fill a vacancy.

Mr. Robert Banz and Ms. Constance J. Tobia were interviewed. Selectmen emphasized the importance of attending the committee meetings during budget preparation time and prior to the town meetings.

Mrs. Kunz said the new appointee may be asked to represent the committee at Old Rochester Regional District School committee budget sessions. She also said the committee is considering forming a subcommittee to handle Capital Budget Planning.

The appointment will be made next week by a joint vote of Selectmen, Mattapoisett School Committee and Moderator.

RECEIVED AN APPLICATION from Elaine M. Sylvia, 28 Pearl Street to fill the vacancy on the Personnel Board.

She wrote, "Having many years of experience in the business world has enabled me the opportunity to work with and for a varied number of people. My

for this position. I remain interested in our town and its government, and as we are all well aware, the people who 'run our town' from within are a most vital element."

WERE INFORMED by Tighe and Bond, Consulting Engineers and Environmental Specialists, of its findings from a field inspection regarding two recreational areas that the town has an interest in improving for increased use by town residents. Both are owned by the town.

One area was Ned's Point Veterans' Park; the other was beach frontage on Goodspeed Island. In the point of view of the specialists, both concepts are good and should be relatively inexpensive to undertake. Ten years ago, Mattapoisett could have proceeded with the necessary improvements and completed the projects with minimal engineering support. In 1988, working on or improving coastal lands is not easy. Permits and coordination work with State and Federal officials can be time consuming and very frustrating.

The Ned's Point concept of improving the parking facilities on the northwest corner of the property is reasonable. Unfortunately, Ned's Point is within the flood plain of Buzzards Bay and most of the proposed work is adjacent to the

RECEIVED A COPY of a letter from Paul E. Cusson, President of Pleasant Street Development Corp. to Harvey Blanchette, Chairman of the Housing Partnership Committee, regarding the proposed development off Park Street, "The Beacon of Mattapoisett".

The letter read, in part: "Obviously disappointed at the action taken by the committee at the October 12 meeting in requesting a change in the set-up of housing in a combination of single family and multi-family houses after we went to the considerable expense to do additional planning. Now the Housing Partnership supports only single family housing. We are flexible and willing to negotiate on the plan which includes the 58 condominium units and ask for the committee to reconsider their position to support a plan other than single family which would provide affordable housing in Mattapoisett. The 58 unit plan has been submitted to the Massachusetts Housing Finance Agency for consideration."

ation of Stratton Finishing Company of 22 Harbor Road, in a rear building, was presented at an open meeting held by Selectmen in the Town Hall Conference Room last Tuesday with about 20 concerned residents present.

A Cease and Desist order placed by Building Inspector Andrew J. Bobola addressed to Peter P. Briggs, owner of the property, deals with the lack of a Special Permit to operate a second business, Stratton Finishing, Inc., at 22 Harbor Road, different from what was originally allowed by the Board of Appeals in 1972 with one business. It was stressed that Mr. Briggs has no connection with the Stratton operation under complaint other than being the owner of the property.

In opening remarks, Town Counsel Donald J. Fleming said the zoning technicality is being discussed here to offer a Cease and Desist order placed on the property October 26 and to hear abutters' complaints of the finishing company's operation. "If not solved as a result of this meeting, the issue will go to the Board of Health. If not resolved by all parties concerned, the issue will go to the appeals process."

Attorney Eli M. Nefussy, representing Bruce Mathieson, owner of Stratton Finishing, stated the business was started in March 1988, in a building about the size

Mobil Unleaded Detergent Gasolines
• Competitive Edge
• Quality • Choice

Mobil is introducing a new grade of unleaded gasoline in your market. The new product will be called Special Unleaded and replaces Regular.

In addition, the other grades will be renamed Unleaded will become Regular Unleaded and Super Unleaded will be named Super + Unleaded.

The new line-up at a glance:

Now	Octane	Before	Octane
Regular Unleaded	87	Unleaded	87
Special Unleaded	89	Regular (leaded)	89
Super ✣ Unleaded	93	Super Unleaded	92

Mobil's new 89 Octane, Special Unleaded, is designed to satisfy the octane requirements of older cars and trucks running on leaded gasoline.

In addition, some drivers currently using 87 Octane may prefer the higher octane of the new 89 Octane Special Unleaded.

All grades of our unleaded gasolines are formulated to keep carburetors and fuel injectors clean.

Mobil's Super + Unleaded has high octane, plus an advanced detergent formula, for rapid clean-up of both carburetors and fuel injectors.

of an airplane hangar. It has one vapor barrier with four individual spraying chambers built to specifications as to noise and escaping odors. It complies with state and local building codes. The Board of Health has inspected the property and found no violations.

The Attorney explained, "In a rural residential area there should not be an infringement on rights of neighbors." Mr. Mathieson, a 25-year old young man starting in business, wants to exist in harmony with his neighbors. The owner proposes to be open from 6 a.m. to 6 p.m. Monday through Friday. He may be on the premises on weekends but will not conduct any work causing noise or fumes. He further proposes to insulate the booths to quiet the noise; also, to install fans and 30-foot high stacks directly through the roof which will not be impeded by trees and shrubs as they presently are. Additionally, he will install turbo-clean washing system which will then be filtered to the stack.

Mr. Robert Mathieson, father of the owner and treasurer of the Stratton Company, suggested a private engineer check the operation after the stacks and scrubbers are in place. "We will pay for

the engineer. I didn't expect the fumes to be so noxious. I humbly apologize for any inconvenience the operation has caused. I've invested my money and I will help all I can." When asked why his son worked as early in the morning as 4:30, Mr. Mathieson said, "We were all energetic when we were young." He added that they have already received assurance from an engineer that the stacks and scrubber will work.

Among the complaints heard from those abutters present were:

Eleanor Johansen, Harbor Road, "I have a six-year old child and an 88 year old mother who has a breathing problem. I worry about the effect on them, the smell is unbelievable."

Peter Elen, 3 Ocean Drive, "There has been ill effects to myself. Even with the windows closed, I feel nauseous." (He brought a sample of the finishing paint which he offered to open; however no one asked him to do so.)

Mrs. Clarence Verdi, 2 Ocean Drive, who lives nearest to the business and was the first person to make an official complaint, said, "The early morning hours and the bad smell has caused ill effects and I've been unable to open my windows all summer."

Leo H. Renauld, a painter by trade, noted the chemicals are bad and must be filtered. He urged better filtering. Another abutter who lives 125 feet away admitted to not living so close as the others but that he can still smell the fumes on a foggy day. All the residents present did not object to the operation but just the early and late hours and the fumes and noise.

Towards the end of the meeting, the owner, Bruce Mathieson, got up to speak although he said his attorney advised him not to. "My business is far better than other systems in our town, but no one has stood up to complain before you people did. The stacks and air scrubber will work. I designed the booths from professional plans. I will make every effort to install the stacks and scrubbers in two weeks if I can get a crane to do the work. After the work is done I welcome any engineer to check my work. If everything doesn't satisfy, then my business won't exist.

Town Counsel concluded saying the Building Inspector, Board of Health and Zoning Board will address the issues and announce a decision.

W.W.I: Firsthand at O.R.R.

Ben Dexter, a Marion resident, has been marching in patriotic parades for 70 years. Mr. Dexter is a veteran of World War I and recently came to Old Rochester Regional High School to share his memories with U.S. History students. Students in U.S. and Government, taught by Ron Normand, and U.S. and World History, taught by Nancy O'Brien, had a rare opportunity to hear of real experiences overseas during WWI.

Mr. Dexter remembered in vivid detail the war years from the time he was sent to Georgia for training in the 82nd Division to the time of the Armistice. Proudly wearing his uniform, Mr. Dexter described basic training and recalled his arrival by ship in England. Being confronted by German U-boats in the harbor brought the reality of war home to him. From England the troops went to the front line. Mr. Dexter described how the night sky was lit as if by "10,000 forest fires and the earth trembled" with the rumble of guns.

On the front line there were no weekends, no holidays. There was only rain and mud and cold and poison gas. There was no order for retreat. The machine

gunners were to hold the line against a "military machine unequaled in history". There were fellow soldiers who quickly became friends; but many of them never came home. In 1984 Mr. Dexter went back to Europe and visited the cemetery where many of his friends have rested for more than 70 years. As he walked between the rows of crosses he felt as if his friends "were on his arm asking him to stay and tell them everything".

Mr. Dexter felt that "Ben Dexter, the civilian, never came back. All I've been is more or less of a spirit."

For many students at Old Rochester Regional, WWI has become more real, more personal, because of Ben Dexter. It is not some distant event to read about; it is one man from Marion who experienced it and who proudly marches on Veterans' Day, Memorial Day and July 4.

Flu Vaccine has Arrived

The Mattapoisett Board of Health will sponsor two flu immunization clinics. The first clinic will be held on Wednesday, November 16th, from 1:00 to 3:00 p.m.; the second will be on Thursday, November 17th, from 5:30 to 7:30 p.m. Clinics will be held in the Legion Hall and are open to all Mattapoisett residents.

The Public Health Service recommends annual immunization against influenza for the following groups of people:

1. Persons in the older age group particularly over 65 years of age.
2. Persons in nursing homes, rest homes and other facilities where elderly people may be residing.
3. Persons of any age who have chronic diseases such as cardiovascular, pulmonary, renal or metabolic disorders.
4. Vaccination is also recommended for persons who provide essential services or who may be at risk of exposure.

A fee of two dollars will be charged to cover costs.

If any homebound resident would like a flu shot please call Ellen Boyd during her office hours Mondays and Thursdays 9:00-11:00 a.m. at 758-6526 or the Town Hall Monday through Friday, 8:00-4:00 at 758-3758 to arrange with Ellen to receive your flu shot at home. You may also receive your flu shot during Ellen's walk-in office hours, Mondays and Thursdays, 9:00-11:00 a.m.

All parents may someday face a situation when they need to give immediate medical aid to a child. The next meeting of the Mattapoisett Parent-Teachers' Club will address this problem. On Thursday, November 10th, at 7:30 at Old Hammondtown School, Dr. Drew Remignanti, a Board Certified Emergency Medicine Physician from Tobey Hospital, will present the program, Handling Children's Medical Emergencies. Some of the important topics covered will be rescue breathing, choking, bleeding, burns, head injuries, and poison prevention. Ann Marklin, R.N., also from Tobey Hospital, will demonstrate how to handle children having these problems. Information and handouts will be available to take home. People from all communities are invited to participate.

Please, take the time to join us and educate yourself in these simple first aid techniques. Someday it could save a child's

"What is healthy for the mind, enriches the soul, develops creativity, builds vocabulary, and is FUN to do?"

Reading books!

Center School will be providing our children with lots of this magic when it holds its Book Fair the week of Monday, November 14th through Thursday, November 17th, in the lunchroom.

The Book Fair, sponsored by the Mattapoisett Parent-Teachers' Club, offers a wide variety of children's books that will give hours of enjoyment and enrichment. Pre-order forms will be sent home with

eye talk

Q. I'm 71 and my eyes are dry and itchy. What can be done about this?

A. Dry eyes are a common complaint as we grow older. The usual cause is a malfunctioning of the tear glands.

Other possible causes include certain diseases; vitamin A deficiency; some drugs such as diuretics used in the control of high blood pressure and heart conditions; or an extremely dry environment.

Symptoms include a scratchy, sandy feeling; itching; burning, mucus secretion; light sensitivity; redness; pain; and sometimes difficulty in moving the eyelids.

If you are experiencing any of these, seek professional help. Bring symptoms to your optometrist's attention before the examination begins so that needed tests can be provided.

If the underlying cause of your dry eyes cannot be corrected, your optometrist may recommend using a liquid tear substitute to bring relief.

Flying High Book Fair

SIPPICAN SCHOOL'S PAPERBACK BOOK FAIR FOR CHILDREN AND ADULTS

Sippican School's Children's Paperback Book Fair, Flying High, opens Tuesday, November 15th, at 9:00 a.m. Flying High is open to the public at all times. It runs Tuesday, the 15th, and Wednesday, the 16th, from 9:00 a.m. to 7:00 p.m., and Thursday, the 17th, from 9:00 a.m. to noon. (There are set-aside hours on Monday, the 14th, especially for Kindergarten children and their parents.)

This fair has the largest selection of quality children's paperbacks to be found in southeastern Massachusetts. It is a "hands-on" event. Everything on display may be purchased. Selections cover preschool through advanced sixth grade books. Average prices range from $2.25 to $3.95 with some less expensive books also available. Reference books at affordable prices are featured and puzzle maps of the United States are back.

A special Parents' and Grandparents' Table, stocked by the Bookstall of Marion, will have more expensive paperbacks, difficult-to-find, treasured classics, boxed sets and many beautifully illustrated hard-

covers for Christmas giving. On a more prosaic note, there will also be books available for adults on the ever popular subjects of parenting, cooking and local history.

Flying High is organized by V.A.S.E. (Volunteers at Sippican Elementary) in cooperation with the Bookstall in Marion. The books are chosen by a joint committee made up of Marie Pimental, Sippican School Resource Librarian, Kay Reis, children's book expert at the Bookstall, and Jay Crowley, V.A.S.E.'s book fair and library volunteers coordinator, with additional suggestions from Gail Roberts, Children's Librarian at the Elizabeth Taber Library in Marion.

The fair is staffed by V.A.S.E. volunteers whose work makes Flying High possible. The public is welcome throughout the day, including the school hours, as well as in the evening. Also, notices are being sent home to parents indicating the times their children's classes will be at the fair so they may join their children at these times.

Profit from the Flying High book fair goes to V.A.S.E. which uses the money to supply needed extras for the school library and support other V.A.S.E. activities. Throughout the years, this income has purchased all the books and supplies for the volunteer Reading Aloud program, furnished soft seats for the library's reading corner, provided some of the cabinets for the film strip and tape collection and produced the seed money which started the Reading Is Fundamental program.

Mattapoisett Council on Aging informs you, if you call soon, you may get to go on our New Year's tour to Philadelphia and Atlantic City. We are leaving on December 30th for three days, arriving home on January 1st, after reviewing the Mummers' Parade. This trip is a nice, long weekend, Friday to Sunday.

Sometime mid-February, we are contemplating an eight-day Florida trip, flying down, spending seven nights in a condominium, right on the beach. We will be staying at Fort Myers Beach, from which we will be making side trips to various attractions in the area. Meals include seven breakfasts, three dinners and an afternoon cocktail party every day. Kitchen facilities are in your apartment, so you can do your own meals if you care to.

Mattapoisett Growth Management

Reported by CONSTANCE KEAVY

The Mattapoisett Growth Management Committee met on Thursday, November 3rd, at 7:30 p.m. at Village Court.

Chairman Peter Kortright introduced Mr. William Napolitano, senior environmental planner for SRPEDD.

Mr. Napolitano presented the Mattapoisett Open Spaces Plan. This plan will be forwarded to all town boards for input and comment. Twenty-five copies of this plan will be distributed throughout the town for public perusal. Some of the distribution sites will be the Library, Town Hall, the pharmacies, etc. It is hoped that residents will make time to examine the plan.

After the town boards have commented, the report will be sent to the State Conservation District for approval. The report then comes back to the M.G.M.C. for discussion and endorsement. At this point the Selectmen will present it at a town meeting and a vote will be taken to adopt the plan.

Mr. Napolitano also authored the Mattapoisett River Aquifer Protection Plan. He presented an executive summary to the committee for discussion. The complete report will be forwarded to the town boards for study and comment.

The goals of the river study are to:

1) Obtain aquifer protection grant money from the state.

2) Form a five town cooperative district.

3) Prepare zoning by-laws for the five towns to protect the aquifer and valley

resources.

In this report, the Mattapoisett River Valley is presented as a geographic entity to be preserved and protected into the next century.

SRPEDD appointed Peter Kortright and Barry Denham as Town Commissioners to oversee twenty hours' free consultation time for any Mattapoisett board which desires to avail itself of SRPEDD's expertise and management strategies in many areas.

SRPEDD offers many services, some of which are:

1) The Board of Health can receive septic system maintenance regulation packets.

2) Solid waste disposal studies.

3) Industrial and Business development study plans.

4) Village parking study plan.

5) "Build Out Study" - when will Mattapoisett reach the saturation point in development?

The advantages of these twenty free hours of consultation and plans are obvious to all town boards. The committee expressed its appreciation and gratitude to SRPEDD for its offer.

Mr. Kortright then proceeded to discuss budget items for next year. All sub-committees were urged to present their priorities ASAP.

Mr. Clifford Tripp updated the committee on the status of the water study for the town. The Keller Company donated $34,000. for a water study, which would alos include the Nunes property. The firm of Whitman and Howard, Assoc. was hired and has begun the study. As soon as the results are available Mr. Tripp will present them to the committee.

At this point in the meeting, the com-

mittee looked back at its accomplishments in the eighteen months' period since the Selectmen authorized the M.G.M.C.

1) June Mendell's Housing Sub-Committess successfuly entered Mattapoisett in a Housing Partnership.

2) The Historical District Sub-Committee members Robert Coquillette and Constance Keavy are awaiting state comments on the by-law to establish an Historic District in the village. When the state responds, the sub-committee will notify property owners and set the mechanism in place for open meetings to discuss the by-law.

3) Martha Peterson's Open Spaces Sub-Committee has succeeded in gathering input from residents and, with SRPEDD, formulating an Open Spaces plan for the town to adopt at a town meeting.

4) Mike Dahill and the Harbor Sub-Committee have drawn up a set of wharf and harbor regulations to protect our waterfront resources. An open meeting is scheduled for November 16th to discuss these regulations.

5) Roger Thompson authored a wetlands by-law which can be incorporated into the Open Spaces Plan.

6) The concept of a Town Planner had its genesis with the committee. Volunteers are not enough to protect our town. The Town Planner will now be a reality - a very welcome addition to town government.

The Committee feels that its members and sub-committee participants have worked enthusiastically and diligently toward these growth management study goals. The town can only benefit from this type of long-range planning. Mattapoisett either manages its own growth or growth will surely manage Mattapoisett.

The next meeting of the M.G.M.C. will be held on Thrusday, November 17th,

Project GROW

"I'VE TRIED THAT BEFORE (AND IT DOESN'T WORK)"

Anyone who has spent time with a young child realizes that discipline is one of the most challenging aspects of the adult/child relationship. Parents constantly seek advice from relatives, professionals, and other parents. Numerous books have been published on the topic. And the questions still continue.

Project GROW offers area adults the opportunity to hear Davien Gould, an early childhood professional and the parent of two children, share her insights on this ever timely topic. Through her fifteen years of professional and practical experience she promises to share ideas "on encouraging positive behavior in young children and enlisting their cooperation". Her down-to-earth approach offers practical strategies for dealing with the very real problems which adults encounter with

STORYTELLER VISITS ENGLISH CLASS

Local storyteller Toby Dills told some ghost stories for Mrs. Canastra's two sophomore English classes on October 20th. His storytelling inaugurated a unit on Halloween writing and oral presentations.

Mr. Dills had each class informally gather around him on the classroom floor in the traditional campfire fashion, minus the campfire. He told two stories in the first class -- "The Bloody Head", and "The Dance". In the other class he told "Bloody Fingers", "The Initiation", the "The Dare". Students listened attentively as he told his tales and "jumped" appropriately when he told a "jump" story.

Each class was able to view his techniques for telling stories in preparation for October 28th when they would all have their own turns at the craft. Mr. Dills also brought some good storytelling reference books and tapes to help Mrs. Canastra prepare her unit.

Mr. Dills, a chemistry professor at Southeastern Massachusetts University and a Fairhaven School Committee member, is a member of the Storyteller's Guild.

STUDENTS VIEW VIDEO ON "DATE RAPE"

On October 28th Mr. Raymond M. Cabral's senior Sociology and Street Law students watched a video entitled "Someone You Know". The video concerned the social problem of "date rape".

The time has come for most area middle school students to think about their science fair projects. Each year middle school students put time and energy into a project, the hardest part of which is getting started. The Lloyd Center can help. Each year the Lloyd Center conducts a workshop, The Science Fair - Getting Started. The workshop will be held at the Center on November 19th from 10:00 a.m. to 3:00 p.m.

The workshop covers the problems encountered in the early stages of developing a Science Fair project, appropriate subjects, narrowing the scope of a project, applying the scientific method, how to find resources, and presenting a finished product. Lloyd Center instructors will be assisting students on how to choose a project, examples of successful projects,

D.A.R. Good Citizen

Jennifer Morris, daughter of Mr. and Mrs. Gerard Morris of Rochester, has been named the 1988 DAR Good Citizen at Old Rochester Regional High School. The DAR Good Citizen is a member of the senior class who has demonstrated leadership, dependability, service and patriotism. Three seniors are nominated by the faculty and the recipient is selected by the senior class.

Ms. Morris has been treasurer of her class for two years, and is secretary of the Student Council this year. She was elected to the National Honor Society as a junior, is a member of the Math Team, and is a captain of the track team. Next year Ms. Morris plans to attend college and major in psychology.

Girl Scout Cookie Time!

It's that time of year again. The time when you can't resist one of your all-time favorite treats: Girl Scout Cookies.

Girl Scouts will be knocking on your door from now until November 14th offering seven different varieties of cookies which sell for only $2.00 a box.

The Plymouth Bay Girl Scout Council, a United Way affiliate, serves over 4,000 adults and 19,000 girls in 76 southeastern Massachusetts communities.

This cookie sale is the Girl Scouts' main fund-raiser, making all sorts of learning and growing opportunities possible.

Marion Council on Aging

RECEIVES GIFT OF $500

On September 17 the Sippican Shop of Marion and the Patriot Restaurant of Wareham and 48 loyal golfers got together for a return golf match at the Marion Golf Course. Last Spring the Sippican Shop was the victor, but this time the Patriot was able to take home the trophy.

On October 13 the Marion Council on Aging and the Wareham Council on aging each received a $500. check at the Marion Golf Course as a result of this tournament. Last Fall both C.O.A.s received $300. checks.

The Sippican Shop with owner Jimmy Nolan was represented in the tournament

TOWN OF MATTAPOISETT, MASSACHUSETTS
PUBLIC HEARING
PROPOSED MOORING & ANCHORAGE RULES

A public hearing is scheduled for Wednesday, November 16, 1988 at 7:00 P.M. in the Town Hall Conference Room to discuss the proposed mooring & anchorage rules.

The purpose of these rules is to standardize mooring practices so as to fully utilize the limited area in Mattapoisett waters while implementing uniform safety practices. Also, to provide adequate space for all types of recreational usage.
This proposal has been developed by the Mattapoisett Growth Study Committee in cooperation with the Harbormaster, local boatyards and interested citizens.
These regulations establish reasonable annual fees for mooring spaces in Mattapoisett waters. This includes the harbor, coves and coastline from the Marion line to the Fairhaven line. Fees collected are to be used for municipal waterfront facilities improvement and maintenance.
The regulations provide that each mooring shall be registered with the Harbormaster and assigned a permit and number.
The regulations include provisions for mooring permit renewal, waiting lists as necessary, relocation procedures and winter stick requirements. There are provisions for commercial mooring permits.
Guidelines for mooring construction, chain sizes, pennant sizes and total mooring tackle length are provided. There is a requirement for a mooring ball. Mooring tackle will require periodic inspections by qualified personnel appointed by the Harbormaster.
These regulations provide an open space within the harbor for water-skiing. They outline basic safe boating rules for all anchorage areas. The Harbormaster is assigned the responsibility for enforcement of all rules.

Copies of the complete proposal are available, for review, in the Selectmen's Office. Copies will also be provided at the Public Hearing on the 16th of November

The Marion Council on Aging, the town and the senior citizens say a hearty THANKS!

Vial of Life Program

Your Council on Aging in Mattapoisett endorses the "Vial of Life" Program, and urges all seniors to participate in this life-saving program.

Quota Clubs in many Massachusetts cities and towns sponsor the "Vial of Life" Program in cooperation with police and fire departments.

WHAT? "Vial of Life" - Life saving information available in your home, in case of emergency.

FOR WHOM? Individuals who live alone, senior citizens, or anyone who wishes to provide for their care in case of fire, sudden illness or other emergency.

WHERE? Small plastic vials taped to the upper right hand shelf of your refrigerator, to contain necessary information regarding names of residents, doctors, medical insurance members, special medical needs, etc. to be available and easily found by police, firemen, and other concerned people, etc. if the need arises.

The Council on Aging has plastic vials and forms to fill out in the office.

Please call 758-3758 or come in Monday through Friday from 9:00 a.m. to 12 noon.

Impulse Dance Company

Impulse Dance Company will present an evening of traditional and contemporary jazz dance at 8 p.m. November 15th in the main auditorium of the Campus Center at Southeastern Massachusetts University.

Tickets are $4. for the general public, $3. for SMU faculty, staff and alumni, and $2. for SMU students and will be available at the door. Parking is in lots 5 and 6. For more information call 999-8880.

Founded in 1974, the Boston-based company has been ranked second to the Boston Ballet as the "best local dance troupe" by readers of the Boston Globe and Boston Herald. The nine-member troupe is directed by choreographer Adrienne Hawkins and performs works by Hawkins and numerous guest choreographers.

Coalition for Buzzards Bay

ANNUAL MEETING

"Clean Water NOW: Our Common Goal" is the topic of the Annual Meeting of the Coalition for Buzzards Bay on November 14th at the Massachusetts Maritime Academy auditorium at 7:30 p.m. Greeting those attending will be C.W., a costumed fish used by the Coalition to focus the public's attention on issues affecting groundwater and coastal waters. The general public, as well as Coalition members, are warmly

welcomed to this action-oriented evening.

Coalition President Dr. Susan Peterson emphasizes that, "This is a working meeting, designed to share information from groups ringing Buzzards Bay. By learning of others' successes, current challenges, and agendas for the future, like-minded people and organizations can avoid re-inventing the wheel by adapting to their own communities what has worked elsewhere."

During her welcoming remarks, Dr. Peterson will announce recent grants awarded the Coalitions, as well as new members of the Board of Directors and officers for the coming year.

Peter Lavigne, Moderator for the evening, will introduce nine speakers who will each give an 8-10 minute report on their respective group's projects. These nine are Anne Dewees, The 300 Committee of Falmouth; George Seaver, Cataumet Civic Associates; Thomas Fantozzi, Massachusetts Coastal Zone Management, with an update on the Buttermilk Bay Project; Steve Kane, Bourne Pollution Task Force; Fred Ryan, Save West Island; Dr. Alan Hankin, Lloyd Center for Environmental Studies; Ruth Lucardi, POND (Precinct One North Dartmouth); Betsy McEvoy, Westport River Watershed Alliance; Ted Pratt, Buzzards Bay Advisory Committee.

The Coalition's Embayment Committee, chaired by Dr. George Haydock of South Dartmouth, arranged this program as part

of its work to encourage citizen action in the Buzzards Bay watershed communities. Refreshments will be served during a break midway through the program. The Academy's auditorium is located in the Harrington Building, second on the right inside the campus of the Buzzards Bay facility.

Incorporated in July 1987, the Coalition was formed to carry out public education and advocacy activities focused on the clean-up and restoration of Buzzards Bay and its watershed. The Coalition is currently completing a 4-month public education project around Buttermilk Bay, under contract with the U.S. Environmental Protection Agency.

of those who cannot attend morning seminars, it will be held again on November 17th from 6:30 to 9:30 p.m. at the New Bedford Chamber of Commerce, 838 Purchase Street, New Bedford.

"We all know that stress, both positive and negative, is a constant factor in daily living," stated SBDC Administrative Assistant Carol Richards. "This program will teach participants to recognize and overcome key stressors and relax successfully, enabling them to take charge of their lives and improve their personal and professional effectiveness, while protecting their health and well-being", added Ms. Richards.

The workshop will be taught by Margo Chevers, President of Northeast Leadership Enterprise, a personal and management development firm specializing in programs to assist people in attaining their highest level of professionalism and competence.

Registration fee is $35.00 per person. Special group rates are available, and members of the New Bedford Chamber of Commerce or the American Business Women's Association will be entitled to a discount.

Early registration is suggested, as class

New Bedford Symphony

OFFERS CLASSICS NOV. 19 CONCERT

Joel Moerschel, cellist with the Boston Symphony Orchestra, will be the soloist in Haydn's Concerto in C Major for Violincello and Orchestra to be performed by the New Bedford Symphony Orchestra at the Zeiterion Theatre in New Bedford Saturday, November 19th, at 8:00 p.m. This second concert of the season will feature music of the classical masters.

Mozart's Overture to Don Giovanni will open the concert, followed by the Haydn concerto. The second half of the program will be Beethoven's Symphony #4 in B-flat. F. John Adams, Music Director, will conduct these masterworks which have long been favorites of classical music lovers.

Mr. Moerschel joined the Boston Symphony Orchestra in 1970. He has also performed extensively as a recitalist and chamber musician in Boston, New York, and the Midwest.

Christmas in November

An ARTISANS SHOWCASE will take place on Saturday and Sunday, November 12th and 13th, at the East Sandwich Grange, directly next to the Nye Homestead on Old County Road. This juried show will represent local craftspeople as well as those from other New England areas. Some of the more unusual participants will be a woman who makes museum-quality samplers, a jeweler who will offer sterling silver Christmas tree ornaments, and a weaver whose rainbow-colored garments promise warmth through any cold winter. Herb decorations for the home and much more will be available at this special two-day show, which will be open from 10 a.m. to 4 p.m. each day.

"Christmas in November" will be a unique occasion to view beautiful holiday decorations in the early American Nye Homestead and to visit the Grange next door to preview innovative handmade articles for Christmas giving. Plan to be there and enjoy this very special event.

In need of further directions please call 888-6870.

Better Home Heat Council

Mr. Clark began collecting automobiles after World War II. He founded the Long Island Auto Museum in 1948 and was director of that facility until 1980. Mr. Clark has been a renowned collector, and continues as an authority in the vintage car field.

This program will inaugurate the G. Robert Melber Lectureship Series. The series, which honors the recently retired curator of the Antique Automobile Collection, will bring a speaker to the Museum each year to lecture on topics related to the J.K. Lilly III Antique Automobile Collection which is located in the Shaker Round Barn on the museum ground.

Mr. Melber was with the museum for ten years. He continues his association with Heritage Plantation as a consultant for special projects.

The lecture is free to members. Non-members are asked to pay a $3.00 admission charge. Please register by calling 888-3300.

Decorative Arts Show

Director's Choice, the annual benefit sale exhibition of antique and contemporary decorative arts, will be held November 19 through December 12 at the New Bedford Glass Museum.

Antique and contemporary glass, silver, jewelry, furniture, ceramics, and objets d'art are included in the sale, selected by Museum curators for their quality, condition, rarity and value.

"The show is geared to a wide range of collectors," states Museum Director Janie Chester Young, "and includes everything from classic early silver to exciting new crafts. The show, and its catalogue, are a lesson in collecting in themselves."

Highlights of this year's exhibition will be a Paul Stankard paperweight; a rare mercury and cranberry overlay spoon holder; several pieces of important Chinese

Lecture: Ecology & Economics

AT SMU NOVEMBER 10

The integration of ecology and economics will be the topic of a free public lecture to be given at 2 p.m. November 10th in Room 202 of the Liberal Arts and Business Building at Southeastern Massachusetts University.

Greg Watson, executive director of the Massachusetts Office of Science and Technology, will speak about "Sustainable Economic Development in Massachusetts". Established within the state's Executive Office of Economic Affairs last year, the Office of Science and Technology helps increase the competitiveness of Massachusetts businesses by identifying and encouraging technological resources.

POETRY READING
IN HONOR OF VETERANS

Thursday, November 10th, at 12:30 p.m. at the Veterans' Memorial Bell in front of the Main Library, 613 Pleasant Street, New Bedford, award-winning poet Lewis Hammond Stone will read selections of his work dealing with Veterans' Day and the Vietnam era. In case of rain the event will be held on the 3rd floor near the "Freedom Shrine".

His work has been critiqued as "...gut-wrenching emotion, derived from an intimate knowledge of the human psyche". One selection, "Brothers of the Soil", deals with a father describing the anguish and loss of his son as he remembers the boy's last letter home. In "Where I Can Listen to the Rain", Stone drives home the fear and terror of what a veteran faces coming back to 'the world'.

Mr. Stone, a veteran of Vietnam, has received awards from the National Federation of State Poetry Societies, Quill and Scroll, the Independent Review, the Connecticut State Poetry Society, the Federation of California Chapparal Poets, the Apple Blossom Connection, Viola Books, the National League of American Pen Women, and a number of small presses and reviews.

In addition to his poetry, Mr. Stone has

St. Luke's Hospital

BEGINS NEW VISITOR PASS PROGRAM

To help patients get the proper rest during their hospital stay, St. Luke's Hospital of New Bedford begins a new Visitor Pass Program on Monday, November 7th.

Under this new program, visitors must pick up a pass at the Information Desk on the Ground Floor of the Main Lobby before going to visit a patient.

Only two visitors per patient will be allowed at any one time.

Passes must be returned to the Information Desk at the end of the visit to ensure that visitors who are waiting may go up to the patient's room.

If both passes are being used, the newly arrived visitor may use the Hospital's telephone at the Information Desk to call the patient directly. The new visitor may ask one of the current visitors to leave and bring the pass down, so that he or she can take the pass to visit the patient.

St. Luke's new program will benefit patients because they need to rest while they are recuperating, and having several people in the room can be disruptive. Restricting the number of visitors also helps each patient avoid having to act as host or hostess to a large group, and allows each visitor to have quality visiting time with the patient.

Regular visitor hours will continue:

General Medical/Surgical floors: 2 to 4 p.m. and 6 to 8 p.m.

Maternity Unit: Fathers: 11 a.m. to 10 p.m.; Parents and Grandparents: 6 to 8 p.m.

Pediatrics: A parent (or adult designee)

GED Test

Beginning November 14th New Bedford Public Schools, Division of Adult Education, will begin administering the new version of the GED high school equivalency test. The new version will require examinees to prepare a written essay.

The Division of Adult Education will be offering GED preparation classes to help people interested in earning a high school equivalency certificate beginning November 1st.

Evening class locations will be the Howland Green Branch Library, the North End Community Center and New Bedford High School.

Two new daytime class locations have been added to accommodate those who may not be available evenings. Terry Martens School of Travel will host morning GED classes and Kinyon-Campbell Business School will house afternoon GED classes.

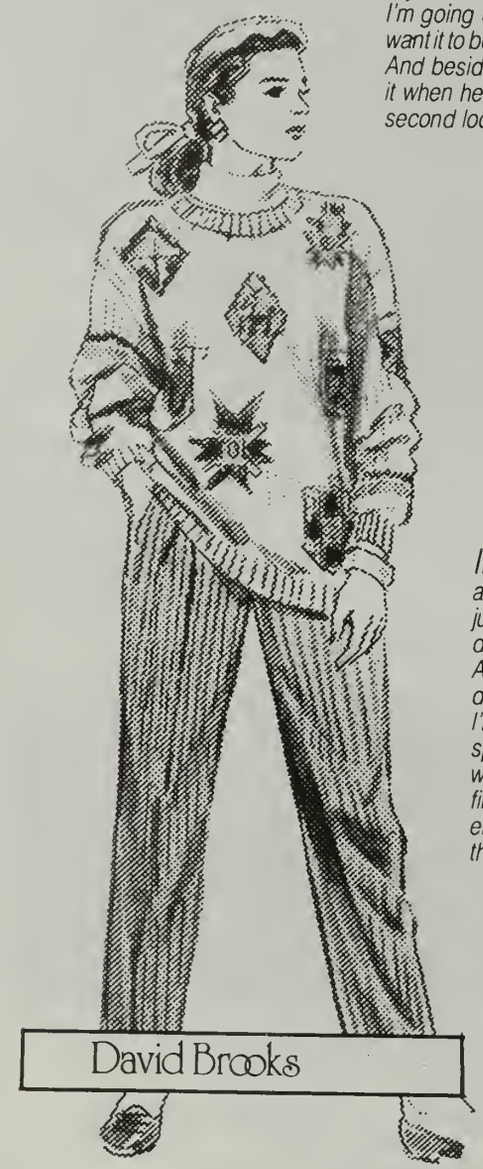
"Even when I'm going casual, I want to be elegant."

Pampering myself, that's what it's all about. Maybe I don't do it often enough, but when I do, I really do. Even when I'm going casual, I want it to be elegant. And besides, I love it when he takes a second look.

The comfort, the luxury, the elegance, the feel of nothing but the best. I love it when heads turn, compliments abound. Why not pamper myself? After all, I deserve it.

David Brooks Robert Scott



It's not often I have a chance to think of just myself. When I do I like to go all out. And, why not? I deserve it. Whether I'm going dressy, sporty, or casual, I want the feel of the finest. I like feeling elegant. And, I love the attention.
